From the Principal's Desk

Greetings from Goa Multi-Faculty College!!!

The academic year 2016 was a really exciting year to all of us. Our hard work bore rich fruits. On the academic front our first batch of TY B.Com and TY BBA closed with 100% results in Goa University respectively. As we celebrate our glory the beginning of the academic year 2017 got even better. Our barely 03 year old institution now accommodates 384 student- strength on its roll. Our both feats serenade a major qualitative and quantitative landmark. This foreword celebrates achievement of new milestones of our institution since June 2016 through October 2017 in terms of new appointments, flow of scholarly output, student events and curricular achievements. This third edition of our newsletter also reflects our vibrant current excitement and activity. Even as we cramp for more infrastructural resources and coping with challenges within, we are leaving no stone unturned to Rise Higher and Shine Brighter!
