PRINCIPAL'S MESSAGE

"The highest education is that which does not merely give us information but makes our life in harmony with all existence" - Rabindranath Tagore.

Dear Prospective Students,

It is with immense joy that I extend a heartfelt welcome to you on behalf of the faculty and staff of Goa Multi-Faculty College (GMFC), Dharbandora.

Founded in 2013, GMFC was established with a mission to provide accessible and affordable education, particularly to students from underprivileged and rural backgrounds. Over the years, our institution has grown to become an integral part of Dharbandora Taluka's socio-cultural fabric. While our commitment to this mission remains steadfast, GMFC has also gained recognition as an emerging leader in Goa's higher education sector. Today, we proudly welcome students from diverse backgrounds across the state and beyond, fostering a vibrant and inclusive learning community.

GMFC holds the distinct honor of being the only institution in Goa offering BBA and BCA programs as government-subsidized courses, in addition to the traditional B.Com. course. This ensures that students can pursue these professional programs at the most affordable fees in the state.

With the implementation of the National Education Policy (NEP) 2020, which was introduced in the 2023-24 academic year, our first-year students have embarked on a transformative academic structure. As the policy progresses, second-year students will now transition into the new framework, while third-year students will continue under the existing CBCS system. Furthermore, beginning this academic year, our BBA and BCA programs will be administered under the AICTE guidelines, while the B.Com. program remains affiliated with Goa University.

At GMFC, we are dedicated to providing a well-rounded education that blends academic rigor, personal growth, and professional training. Our courses are carefully curated to equip students with the knowledge, skills, and competencies necessary to thrive in today's evolving job market. Our alumni have made

significant strides across various industries, securing esteemed positions at state, national, and international levels.

As you browse through this prospectus, you will find detailed insights into our Bachelor of Commerce (B.Com), Bachelor of Business Administration (BBA), and Bachelor of Computer Applications (BCA) programs. These programs are designed to foster critical thinking, technical proficiency, and leadership qualities that prepare students for successful careers.

Our faculty members are not just subject matter experts but also dedicated mentors who guide students through their academic and professional journeys. With a curriculum that integrates theoretical foundations, hands-on learning, and industry exposure, we aim to create well-rounded graduates who are ready to meet global challenges. Beyond academics, we prioritize students' emotional, social, and physical well-being, ensuring a nurturing environment that supports both strengths and areas of growth.

GMFC also recognizes that education extends beyond the classroom. Our campus life is enriched with cultural events, sports activities, community engagement programs, and skill development workshops. These extracurricular opportunities complement academic learning and contribute to the holistic development of our students.

As you embark on this exciting academic journey, I encourage you to explore everything that Goa Multi-Faculty College has to offer. Whether your aspirations lie in finance, business management, technology, or any other professional domain, we are committed to supporting and guiding you towards your goals.

I warmly invite you to join our dynamic academic community and become part of GMFC's legacy of excellence.
